DeFuniak Springs, FL – The Florida Department of Health in the Walton County WIC program continues to welcome families. In order to limit exposure and help prevent the spread of COVID-19, some Walton County WIC clients may now receive services over the phone without having to come to one of the WIC office locations.

WIC is a federally funded nutrition program for Women, Infants and Children who meet income and nutrition risk requirements. WIC provides participants who qualify for the program with the following at no cost: healthy foods, nutrition education and counseling, breastfeeding support, and referrals for health care and community services.

Please call 850-892-8020 to speak to a WIC representative for more information; interested families may also visit www.floridawic.org for additional information as well.

This institution is an equal opportunity provider.

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

Follow us on Twitter at [@HealthyFla](#) and on [Facebook](#). For more information about the Florida Department of Health please visit www.FloridaHealth.gov.
